We continue our productions in our facility at Saray Mahallesi 1525. Cadde No:5 Kahramankazan in ANKARA, which we started by adopting the principle of respect for the environment and people, and being the address of reliable food.

We produce and pack our Jam, honey, tahini, molasses, hazelnut spread, margarine and butter products in a hygienic environment. Under the roof of ŞEHERLİ GIDA, we improve our productions with R&D works and always keep the quality of the production at the same standard.
